### **The Outsider** by Ann H. Gabhart

Living just thirty miles from a restored Shaker village in Kentucky, Ann H. Gabhart has walked the same paths that her characters might have walked in generations past. Her thorough research provides a convincing and colorful backdrop for this book.

She thought she was content – until a love from the outside world turned hers upside down.

Gabrielle Hope and her mother joined the Harmony Hill Shaker community in 1807. The community promised stability and devotion that Gabrielle wholeheartedly embraced. But when a local doctor must be brought into Harmony Hill from the outside, he sets into motion a chain of events that will challenge Gabrielle's loyalty to the Shakers.

As she falls deeper into a forbidden love for this man of the world, Gabrielle must make a choice. Can she experience true happiness in this simple and chaste community? Or will she abandon her brothers and sisters for a life of the unknown?

Soulful and filled with romance, *The Outsider* lets you live within a bygone time among a unique and peculiar people. This tender and thought-provoking story will stay with you long after you finish the final chapter.

### **Unplug the Christmas Machine**
