

The Library/Media Center

April 2009

The Library is now open in our NEW location!

We are located on the third floor, across from the custodians' office. Take Elevator A to the 3rd floor and we are right across the hall.

Congratulations to the eight lucky winners who took home door prizes during our grand opening on March 22.

If *you* haven't stopped by, please do. We have so much more space and it is open and spacious.

What's New

- With the larger space we now have room for people to just sit and browse through books, the children to watch a video or DVD and look through books. We even have a public access computer that has Internet access, Word and Excel.
- I want to say a big THANK YOU to all who had a part in moving to our new location. It was a lot of work and it took many helpful and willing hands to

accomplish it. It would take too much space to list all who helped – you know who you are. It couldn't have happened without you.

- We started April 1 with our Story-time for children pre-school to 4th grade. Six children and four adults enjoyed hearing Miss Ruth read to them. We will be having Story-time every Wednesday from 5:30 – 5:45 p.m. Come join us!
- Many donations that have come in and we will soon have them out on the New Book display.
- We are looking forward to the Summer Program for children ages Kindergarten through 5th grade. The theme this year will be "Awesome Bible Adventures." Running from June 3 – July 29 from 4:00–5:00 p.m., it will consist of a teaching DVD, story-time and craft-time.
