**FICTION: *A Promise For Spring* by Kim Vogel Sawyer**

England-born Emmaline Bradford pledged her life to Geoffrey Garrett and then bid him farewell when he boarded a ship for America. Though Geoffrey planned to send for her within a few months, five long years have slipped by. And now Emmaline barely remembers her fiancé.....

Having Emmaline finally living on the sheep ranch he's built on the north fork of the Solomon River is a dream come true for Geoffrey. But his beloved is not the fee-spirited girl he remembers. In fact, she wishes to get out of Kansas as quickly as possible!

Begging Emmaline to give prairie life a try, Geoffrey offers a compromise: If she promises to stay until spring, he'll pay her return fare should she decide to go back to her home country.
