What we did this summer...

The summer months have been busy for the Library/Media Center!

We started our Summer Program, “**Awesome Bible Adventures**” Wednesday, June 3 from 4 – 5 p.m. This was for children Kindergarten to completion of 4th grade. Each week we read a story of a Bible character, watched a DVD, had discussion and then enjoyed craft time. A total of ten children participated in the activities.

Our final program July 29 featured Keith McGowen, who entertained the children with a **presentation on horns** of present day and Joshua’s day. **Thank you, Keith.**

Big THANK YOU’s also go out to Ruth Wilhite, Ann Offlett, Doris Wommack and Sonya Hollingsworth for all your help with the programs this summer.

In June and July on Sunday we had visits from different **Sunday School classes**. In June we read stories on Esther and in July we read about David. After a discussion the children were free to take time to browse and check out material. The final session was July 26 with five boys from the 5th & 6th grades. We had a good time with a Bible quiz about what was studied the last 8 weeks.
