JULY 2009

As we are celebration our country's Independence Day I would like to share a book that really make us appreciate all we have in this great country.

**Triumphant Hearts** Susan Downs, Taylor James, Sally Laity, Jeri O'Dell

**Remnant of Light** – the Great War has recently ended, but in the continuing border conflicts, Elena's home city of Smyrna has fallen. Place with her sister on a refugee ship, Elena is accidentally pushed overboard and left alone at sea. When she cries out to her Lord, she is rescued by a New York bound cargo ship. Can her determination and strength soften her rescuer's harden heart?

**Remnant of Forgiveness** -- German forces destroyed everything dear to Mary Theresa Malinowski—including her native Poland and her childhood innocence. When an unexpected gift brings her to American, her path crosses that of Nelson Thomas, an embittered World War II veteran whose own plans met a swift death on the battlefields of Europe.

**Remnant of Grace** – Eun-Me's greatest concern is her lack of a dowry—before the communists attacked South Korea and her heart's love arrived back from America to introduce his fiancée to his missionary parents. Separated from her family, can even a remnant of God's grace touch Eun-Me's life that has been so devastated by war?

**Remnant of Victory** – Tahi Leopld, a Vietnamese wear orphan is determined to forget his Asian roots. Adopted at age six by his family in the United States. Tahi's goal is to be 100% American—to think, act, and marry American. He doesn't want to remember the past, but Kinsy McCoy, a war orphan like him, won't let him forget. Will a short-term mission trip across Vietnam help Thai—and awaken a love for Kinsy?
